PROFESSIONAL EXPERIENCE

Schneider Electric | *Business Development and Innovation Intern* | Houston, TX **August 2026 - December 2026**
- Building a strategic growth plan for physical AI and engineering simulation, defining target use cases and partner strategy
- Analyzing 23+ companies across energy, utilities, and AI data centers, producing weekly ecosystem reports on emerging power technologies
- Own follow-up on a potential pilot with an AI-powered manufacturing operations startup, coordinate 8+ calls with 5 stakeholders across both teams

BP | *Procurement Intern* | Houston, TX **May 2026 - August 2026**
- Led a medevac cost-recovery initiative by reviewing 51+ cases, identifying 17 supplier-attributable flights, and recovering $213K+ through contract analysis, flight-record validation, and supplier engagement
- Built executive dashboards and analyzed two years of trucking performance data across 41,517 loads, identifying $284K in detention charges and leading supplier corrective-action initiatives that generated $142K in annual logistics savings
- Developed a spend-analysis and contract-management database for GoA logistics, consolidating procurement data and identifying $181M in supplier spend to improve contract visibility, reporting accuracy, and strategic sourcing decisions

NASA | *IT Intern* | Houston, TX **January 2026 - May 2026**
- Built the first SharePoint site for JSC Knowledge Management Week, generating 3,000+ views and expanding KM visibility across NASA JSC
- Created a master tracking system for IT software requests, reducing downtime and improving delivery speed by 90%
- Developed and tested Luna AI compliance tools, boosting adoption 55% and strengthening cybersecurity and governance

Amazon | *Area Manager Intern* | Phoenix, AZ **May 2025 - July 2025**
- Led 60+ associates in RPND, boosting throughput 18% and cutting peak delays 10% through workflow improvements
- Strengthened site-wide safety culture through a hi-vis compliance drive, achieving 85% adherence across associates and managers
- Drove AROS machine integration, redesigning layouts, and reallocating assets to add 13,800 cartons/shift in inbound capacity

PROJECTS

Shell Ethics Case Competition | *Research Lead* | Houston, TX **January 2025 - April 2025**
- Researched 25+ industry and regulatory sources to evaluate ethical and compliance risks in influencer marketing
- Evaluated impacts on consumer trust, mental health, and brand reputation within the fashion industry
- Analyzed FTC guidelines and developed strategies to improve disclosure compliance and strengthen ethical digital campaigns

Macquarie Group | *Commodities and Global Markets Extern* | Houston, TX **September 2024 - November 2024**
- Researched 15+ industry reports on clean energy trends to evaluate sustainable financial strategies and sector growth
- Consulted 6+ senior leaders across the program to gain ongoing mentorship and insights into global energy transitions
- Synthesized research into a 10-slide presentation highlighting 3 strategic intersections of finance, supply chain, and clean energy

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Management Leadership for Tomorrow | *Career Prep Fellow* | Houston, TX **January 2026 - Present**
- Accepted into a selective 18-month professional development program for high-achieving college students
- Complete business case studies and assignments to hone analytical, leadership, and technical skills
- Attend conferences hosted by industry leaders such as Deloitte, LinkedIn, and Target

Cougar Product Organization | *Co-Founder & Vice President* | Houston, TX **April 2024 - Present**
- Founded UH's first Product Management organization, growing to 500+ members and mentoring students in career development
- Built an Excel-based invoicing and budgeting system, improving financial visibility and enabling data-driven funding decisions
- Secured sponsorships and partnerships with Amex, HPE, HP, and DoorDash to expand fundraising and long-term growth
